**General Information for Girl Scout troop weekends:** All Weekends will have a Friday evening horse show followed by campfire with S'mores. Saturday troops have a choice of five of the following activities: trail rides\*, archery, canoeing, climbing wall, and leather craft. Swimming, hay rides and fishing will be options some weekends. The Junior Horse Fan badge & Cadet/Senior Horse badge instruction are offered on Saturday for an additional \$8.00 and come with a nice booklet.

\* Brownies under 8 years of age may not take a regular trail ride. On a limited basis 6 & 7 year olds may join their troop on the ride led by one of our staff (\$5.00 extra). Pony rides with a barn tour are available for Brownies. Trail rides on very rare occasions must be canceled due to extreme heat. In that event alternate programming will be provided and a certificate issued for a trail ride at a future date of the troops choice subject to normal reservation policies.
